

CONFCON-SP300 | Wireless Conference Speakerphone with USB Dongle

Key features

- Crystal-Clear HD Audio: Advanced Voice technology and acoustic echo cancellation ensure superior sound quality, even in noisy settings.
- Extended Battery Life: 4000mAh battery offers up to 18 hours of talk time for reliable, long-lasting performance.
- Versatile Connectivity: Connect up to 2 Bluetooth devices and 1 USB device simultaneously, with Bluetooth 5.0 providing a range of up to 10 meters (30 feet).
- Broad Compatibility: Seamlessly integrates with Zoom, Skype, Microsoft Teams, and more.
- Supports digital assistants like Cortana, Siri, and Google.
- Compatible with Windows, Mac OS, Linux, ChromeOS, and Android 6.0+.
- User-Friendly Design: Intuitive touch controls and RGB status indicators.
- Compact and lightweight for easy portability (D 121mm x H 34.7mm, 290g).
- Plug-and-Play: Simple connect via USB, Bluetooth, or 2.5m Aux cable (3.5mm) with no drivers required.
- Powerful Sound: 3W tweeter + 5W base.
- Portable & Lightweight: Ideal for various settings, from home to office.

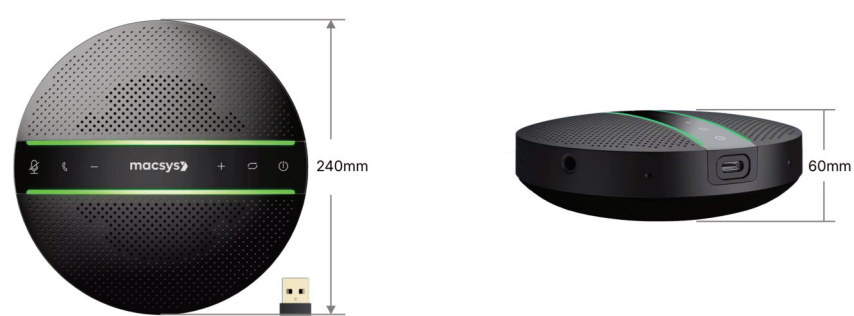

Product Overview

Enhance your communication with the Macsys CONFCON-SP300, an advanced conference speakerphone designed for superior audio clarity. Leveraging the latest VoicelA technology and acoustic echo cancellation, the CONFCON-SP300 delivers crystal-clear HD audio, ensuring professional-grade sound in any setting. It features a powerful 4000mAh battery that supports up to 18 hours of talk time, combining long-lasting performance with low power consumption. With Bluetooth 5.0, USB, and Dongle connectivity, the CONFCON-SP300 allows simultaneous connections to up to 2 Bluetooth devices and 1 USB device. It offers seamless integration with popular conferencing platforms like Zoom, Skype, and Microsoft Teams, and is compatible with a wide range of operating systems including Windows, Mac OS, Linux, ChromeOS, and Android 6.0+. The device's user-friendly design includes intuitive touch controls, an easy-to-read RGB status indicator, and a compact, lightweight build (D 121mm x H 34.7mm, 290g), making it highly portable. Enjoy effortless plug-and-play connectivity with no drivers needed, and experience clear, effective communication with the Macsys CONFCON-SP300.

Technical Specification
