

PAS-BS06WE | 3/6W Box Speaker

Key features

- Waterproof IP65 rating for outdoor use
- Selectable 3W/6W power output at 100V; 1.5W/3W at 70V.
- ABS construction with elegant design
- 4.5" woofer provides clear audio for PA and BGM.
- Wall mount installation for easy placement
- Lightweight at 3kg in a white finish

Product Overview

The Macsys PAS-BS06WE 3/6W Box Speaker is a compact, waterproof solution designed for both public address and background music applications. It features a 4.5" woofer, ABS enclosure, and wall-mount installation, delivering reliable performance in indoor or Semi-outdoor settings. With selectable power settings of 3W/6W at 100V and 1.5W/3W at 70V, it offers versatile integration with standard audio systems. The speaker's sensitivity is rated at 91dB, with a maximum SPL of 96dB at 1 meter, ensuring clear sound output. Its frequency response spans from 140Hz to 14KHz, providing sufficient coverage for speech and music. The unit weighs 3kg and is finished in white, complimenting various environments.
